OTHER INFORMATION

The applicant, having applied for employment with the Madison Local Board of Education hereby agrees to be fingerprinted and understands that his/her fingerprints, name, address, date of birth and social security number will be submitted to the State of Ohio, Bureau of Criminal Identification and Investigation (B.C.I.).

Due to the length of time required for completion of the records check, it may occasionally be necessary to employ a person prior to the Board of Education's receipt of the results of the criminal records investigation. In these cases, the Board of Education shall rely on the information provided in the employment application. However, by signing this document the applicant specifically agrees that if employed by the Madison Board of Education prior to the receipt of a response from the BCI and if the subsequent report of the BCI is received which is not consistent with the answer to the above question(s), the action of the Board of Education of employment shall be void without any further action by either party, and that the employment will cease immediately without the necessity of proceedings to formally terminate the contract of employment.
