

**Race to the Top
Monthly Report to the Madison Board of Education
April 29, 2014**

Remaining Funds

All remaining funds have been budgeted for substitutes needed through the end of the year, professional development workshops that staff will attend outside the district, and for district-wide professional development the first two weeks in June. These expenses will spend down the remaining \$5,000 of the grant. All funds are encumbered and will be spent by June 30, 2015.

Final Reporting

The final progress report will be submitted to the Ohio Department of Education by June 1, 2015.

Report presented by Lynn Meister

Monthly RttT reports are presented to the Madison Board of Education and the public at monthly Board of Education meetings. The reports are also posted on the district's website (www.mlzd.net). Changes to the district's website were made as part of Madison's Strategic Plan communication goal, the Ohio Improvement Process plan, and RttT's communication strategy.
